5 Boarding Without Waits

6 Protection and hygiene
elements

- Certifying company "Control H&S" winner of the OMT (World Tourism Organization) May 2020 Awards
- Criteria, Current Regulations and Recommendations WHO and BOE Authorities (World Health Organization)
- We reduce our seats on the ship.
- Previous / Welcome /Navigation / Farewell
- More secure and exclusive for you, your family, or friends
- We reduce trips to the sea, for cleaning and disinfection between shifts.
- Only 5 minutes before your departure time to navigate
- Meeting <https://maps.app.goo.gl/xMpKY>
- Hydroalcoholic Gel dispensers and disposable (**throwaway**) gloves.
- In principle, the use of masks will not be necessary, as they are outdoors, in contact with nature and the sea). (We know will update according to current regulations).
